## RESORT

A former cultural institution and boarding school turned luxury hotel, Collegio alla Querce, Auberge Collection will encompass three adjacent buildings dating back to the 16th-century, which include an original chapel and theatre. An extensive transformation awakens the property's storied and romantic history, through a rarefied art collection, distinct architecture and design, and spectacular, manicured gardens. Surrounded by soaring oak trees, a nod to Collegio alla Querce's name, the resort's grounds boast expansive lawns and four levels of terraced gardens, a work of art in itself.
