RESORT

Set on over 700 acres of rolling vineyards, towering eucalyptus trees, grazing steer, and winding walking and biking trails, Stanly Ranch honors its 100 year old land while shepherding in 21st century ideals of sustainability on this active private ranch. Stanly Ranch's immersive experiences nourish the mind, body and soul, not only revitalizing those lucky enough to visit, but leaving them transformed long after they leave the vineyard.

LOCATION

Set amongst the vineyards in southern Napa Valley, Stanly Ranch sits at the premiere access point to Sonoma and Napa Valleys, just 45 minutes from the Bay Area, 10 minutes to downtown Napa, and 20 minutes from downtown Sonoma. Set atop of a long Eucalyptus lined drive, sprawling and picturesque countryside surrounds the property with the Napa River flowing to its edge.

ACCOMMODATIONS

The very best of wine country living, the 135 stand alone cottages and suites feature terraces with fire pits, seating, outdoor showers and surrounding views with vineyards coming directly up to the cottage edge.

DINING

Culinary at Stanly Ranch pays homage to the land we sit on. Local farmers and makers work hand in and with our chef to highlight the best of what nature has to offer by the season. A buzzy calendar of weekly, monthly and annual social events bring together guests, artisans and locals to this new Napa destination.

Gavel an all day coffee shop featuring house baked breads and pastries along with toasts, grocery items prepared by our chef and a sustainable refill station.

Bear Helmed by chef Perfecte Rocher, the main restaurant showcases the bounty of Napa Valley with elemental cooking highlighting single ingredients.

The Pool relaxed in nature to deliver the ultimate wine country pool experience.

WELLNESS

Overlooking rolling hills covered with vineyards the Auberge Spa at Stanly Ranch spans across four dedicated buildings: Movement, Medical, Spa and Recovery. Offering state-of-the art technology and amenities, visiting practitioners, daily programming and fitness classes, an organic juice bar and a calendar of seasonal retreat experiences, the spa at Stanly Ranch is best-in-class wellness and hospitality.
