

# Stanly Ranch

AUBERGE COLLECTION

## Resort

Set on acres of rolling vineyards, towering eucalyptus trees, and biking trails, Stanly Ranch is a next-generation retreat with innovative culinary moments, bold adventures and regenerative wellbeing pursuits. Stanly Ranch nourishes the mind, body and soul, reawakening the senses through a series of one-of-a-kind experiences.

## Accommodations

Stanly Ranch offers the best of wine country living through 135 guestrooms, plus a collection of two- to six-bedroom residences. Guestrooms feature open floor plans with private terraces, fire pits, patio furniture, and sweeping vineyard views while residences showcase gourmet kitchens, expansive indoor-outdoor gathering spaces and exclusive access to award-winning amenities and services.

Select guestrooms include indoor tubs and/or outdoor showers. Accessible rooms are available.

## Location

Stanly Ranch sits at the premier access point to Sonoma and Napa Valley - just 45 minutes from the Bay Area, 10 minutes from downtown Napa and 20 minutes from downtown Sonoma. Nestled in southern Napa Valley, Stanly Ranch is surrounded by sprawling and picturesque countryside, with the Napa River flowing to its edge.

## Dining

Dining experiences pay homage to the land we sit on. Local farmers and makers collaborate with our chefs to highlight the best ingredients of the season. A buzzing calendar of weekly, monthly and annual social events connect guests, artisans and locals in the spirit of a new generation of Napa.

### BASIN BAR

Adjacent to the Lavender Pool, this poolside eatery features plant-forward pool classics in a Provence-style setting.

### GAVEL

This bustling coffee bar offers freshly baked pastries and specialty roasts from Sightglass Coffee. Discover it all, from retail and craft goods by talented Bay Area artisans to picnic items for your afternoon exploration.

### BEAR

Our signature restaurant showcases Northern California's best ingredients through elemental cooking.

## Wellbeing

Within its serene hilltop embrace, Halehouse offers next-generation wellbeing through intentional treatments and state-of-the-art technology. Our partnership with leading wellness specialists and sports experts coupled with therapeutic bodywork and functional training optimizes the performance of your mind and body. Find restoration in the exploration of sleep, hydration, mindfulness and recovery.
