KISHTI VILLA'S ON ANGUILLA'S MEAD'S BAY**

*Iconic Beachside Hideaway Expands Villa Offerings With the Addition of the Sleek and Stylish Kishti Villas to the Resort's Portofolio*

**ANGUILLA, B.W.I. (May XX, 2019)** – [Malliouhana, Auberge Resorts Collection](#), Anguilla's recently restored glamorous retreat, is pleased to announce the addition of two new villas to the resort's portfolio of exclusive and private experiences. Malliouhana is now taking reservations for Kishti Villa West and Kishti Villa East, part of the Kishti Villa Collection. Known for its effortlessly glamorous yet relaxed sophistication, Malliouhana re-opened its doors in December 2018 after a yearlong restoration and will now offer Kishti Villa guests the same warm and unforgettable experience that has become synonymous with the iconic resort.

Situated just steps away from Malliouhana, the famed romantic hideaway, the five-bedroom Kishti on Meads Villa West and the six-bedroom Kishti on Meads Villa East are two villas nestled side-by-side on the pristine sugar-white sands of Meads Bay and offer the pinnacle of luxury in the heart of one of Anguilla's most striking beaches. Designed by Taylor Smyth Architect and internationally lauded interior designer, Cecconi Simone Inc, the duo drew inspiration from the "Urdu" word for boat or canoe, frequently used by poets and composers to express a sense of being at one with the sea. The prodigious villas, which positioned directly on the soft sands of Mead's Bay and just yards from the gentle sea, feature a mystical design aesthetic throughout, boasting floor-to-ceiling windows that generate a whimsical sense of being afloat mid-ocean; outdoor infinity pool, hot tub and canopy beds that overlook the crystal clear sea, and fountains and cascades that echo the murmur of wavelets both indoors and out, harmoniously belding the splendor of island beauty, peace and privacy.

These ultra-modern indoor-outdoor villas, which sleep up to ten guests, are designed around effortless entertaining and spaces that create a sense of togetherness while surrounded by Anguilla's natural beauty. A large great room with living, dining and kitchen areas open to the terrace via a folding glass wall, making for a bright and airy space, the ideal spot for bringing together families, weddings and corporate groups. Wood floors, neutral upholstery and artwork with Eastern and Western influence create a distinctive environment that raises the bar for style and sophistication in the Caribbean. Each villa has every luxury amenity to create a seamless experience including two kitchens; rooftop and patio gardens; a home theater, office and gym. Guests may very well choose to spend their entire vacation secluded in the Kishti Villas where they will be attended to by Malliouhana's exceptional resort staff, including a private villa manager, butler and chef, or they may choose to take full advantage of all the amenities at Malliouhana, which is just a short walk down the beach.

“With their unbeatable location situated on the mile-long Meads Bay, the Kishti Villas are unlike any other island private home on Anguilla” said Kapil Sharma, General Manager, Malliouhahana, Auberge Resorts Collection. “We are beyond delighted welcome this exclusive accommodation into the Malliouhana family and offer our guests access to these capacious villas that will now be accompanied by the world-class service and resort amenities Malliouhana is known for.”

This summer, Malliouhana will continue to expand its resort offerings, unveiling brand new additions including a new two-bedroom beachfront villa on Turtle Cove Beach, 11 new oceanfront suites and an expanded Auberge Spa with adjacent infinity pool. In addition, guests will enjoy three new dining concepts including sophisticated bar and lounge Bar Soleil, Mediterranean-inspired Café Celeste, and toes-in-the-sand beach shack experience Leon’s Porch and Beach Bar, all available to Kishti Villa guests. Sun-seekers ready to experience the new era of Malliouhana can book rates beginning at \$3,000/night.
